BUYING MISSION TO NEPAL
11.11. – 17.11.2017*

FROM THE HIGHEST MOUNTAINS: ESSENTIAL OILS, HERBS AND SPICES

INCREASE YOUR CONTACTS IN NEPAL. REDUCE SOURCING COSTS.

The Import Promotion Desk organizes a buying mission to Nepal from 11–17 November 2017.* This mission gives you the opportunity to find out more about innovative products for the food and cosmetics sector.

PRODUCTION REGIONS INCLUDED IN ITINERARY

Nepal has a unique climatic and geographical division with high Himalayas, mountains and Tarai regions within the small span of vertical stretch. These three geographical regions host a wide range of floral diversity including over 2,000 species of potentially useful plants with about 1,600 - 1,900 species commonly used for medicinal purposes, both for traditional and modern healthcare. Following regions are very important for the commercialization of medicinal and aromatical plants (MAPs) in Nepal. Therefore we consider very important to include them into the itinerary of the buying mission:

- Lalitpur, Kathmandu
- Nepalgunj, Banke, mid-Western
- Bhadrapur, Dadeldhura District, Far Western
- Bhairawa, Rupandehi District, Western
