Buying Mission

In cooperation with Serbian partners, IPD and Import Austria, the Swiss Import Promotion Programme SIPPO organizes a Buying Mission to Serbia from October 16th to 19th, 2017. You will meet producers of high-quality solid wood products (boards and panels, parquet/flooring, furniture elements, windows, doors, etc.), visit their production sites and have individual B2B meetings.

All suppliers have been pre-selected by SIPPO and its partners based on company visits and for their product quality, capability and capacity for export.

Background

- ✓ Serbian wood processing industry is one of the most prospective exporting industries in the country
- ✓ Own raw material base, FSC certified
- ✓ Species: beech, oak, walnut, ash, fir, etc.
- ✓ Favorable geographic position
- ✓ Free access to a market of 1.1 bn consumers (Serbia has free trade agreements with the EU, USA, Turkey, EFTA, CEFTA, Russia, Belarus and Kazakhstan)

Costs

Participation fee: 800,- EUR per person

The participation fee includes accommodation and transportation in Serbia. International flights are not part of the package and have to be organized and paid for by the participants themselves.
