BUYING MISSION TO NEPAL
07.04. – 13.04.2018*

PURCHASING IN NEPAL: ESSENTIAL OILS, MEDICINAL PLANTS, SPICES AND TEA

INCREASE YOUR CONTACTS IN NEPAL. REDUCE SOURCING COSTS.

The Import Promotion Desk organizes a buying mission to Nepal from 07–13 April 2018.* This mission gives you the opportunity to find out more about innovative products for the food and cosmetics sector.

IMPORTANT PRODUCTION REGIONS

Nepal has a unique climatic and geographical division with high Himalayas, mountains and Tarai regions within the small span of vertical stretch. These three geographical regions host a wide range of floral diversity including over 2,000 species of potentially useful plants with about 1,600 - 1,900 species commonly used for medicinal purposes, both for traditional and modern healthcare. Check the quality and diversity of the Nepalese offer on-site.
