Import Promotion Desk (IPD)

The Import Promotion Desk presents selected exporters from Tunisia at Food ingredients Europe 2015 (FiE).

All companies were carefully selected and then readied by the IPD to commence export to the European market. They meet international quality standards and are equipped with the necessary certificates.

On the following pages you will find detailed information about these companies.

The IPD establishes direct contact to these new suppliers and organises b2b meetings at the trade fair.

In addition, the IPD supports other companies from Colombia, Egypt, Indonesia, Kyrgyzstan, Nepal and Peru at the FiE, located at the SIPPO Pavilion hall 7 | 7F38.

Please see page 8 of this brochure for further details.

Import Promotion Desk (IPD)

ABOUT US

The IPD is the service provider for import promotion in Germany.

It connects European importers with exporters from selected developing countries and emerging nations.

The IPD is an initiative of the Federation of German Wholesale, Foreign Trade and Services (BGA) and sequa, the development organisation and partner of German business.

The IPD is funded by the Federal Ministry for Economic Cooperation and Development (BMZ).

Our goal is the sustainable and well-structured import promotion of special products from selected partner countries – under compliance with high quality, social, and environmental standards.

We have the contacts, information and communication channels to reliable suppliers in our partner countries. By connecting you to the right exporters, we help you to profit from time-, cost- and risk-optimized sourcing.

FACTS & FIGURES

Yaakoubi Jamel is a Tunisian company, which is located west of the cultural city of Kairouan in Oueslatia. Founded in 2013, this newly established company produces different kinds of essential oils and related products.

PRODUCTS & SERVICES

The company portfolio includes a variety of products, such as premium quality rosemary oil, myrtle oil as well as carob seeds. The range of products is completed by dried rosemary leaves.

MISSION & VISION

Yaakoubi Jamel is dedicated to provide the best quality and value to its customers. This requires a high-level customer satisfaction policy. Furthermore, the company is striving to increase the ratio of its participation in the local market as well as in the foreign market.

Nopal Tunisie

FACTS & FIGURES

Founded in 2005, Nopal Tunisie is a Tunisian company specialized in the production, processing and export of organic prickly pear to cosmetic, healthcare and food industry markets. The farm, which is located in the heart of Tunisia near Kasserine, covers around 198 hectares of cultivated land. This region is called Zelfan and is well known for its top quality prickly pear cactuses.

PRODUCTS & SERVICES

Nopal Tunisie offers a variety of products. For example the company provides the cosmetic industry with organic prickly pear seed oil. This precious oil is obtained by cold pressure of prickly pear seeds and has an exceptional composition of more than 80% of unsaturated fatty acid, and a high rate of tocopherols. In addition, the product portfolio includes prickly pear pulp, dried pomegranate arils and other extracts of prickly pear and pomegranate.

MISSION & VISION

Nopal's mission is to offer products in conformity with its customers' preferences. This entails farming according to the organic farming mode and constantly monitored quality control mechanisms. Nopal Tunisie is dedicated to provide the best quality to its clients worldwide.
